Social Activities Policy

Sheffield Language Centre wants all students to enjoy their time in the UK and to experience British culture. Throughout the year the school runs weekend and weekday social activities, including the Afternoon Activities. These provide an opportunity for students to socialise with each other, practise their English, see places of interest and to try new things.

Some activities are part-funded by the school, but students pay for most activities. Activities and excursions are planned carefully and led by trained Social Programme tour leaders, helped by extra members of staff (sometimes teachers) according to group numbers. The supervision ratio guideline is one leader to 20 adult students.

All social activities will be postponed until further notice due to the covid-19 pandemic.
